■ About Cake 🍰

Established in 2016 in Taiwan, Cake is an international talent community and platform providing comprehensive solutions for job seekers. By offering AI tools for resumes and portfolios, job search strategies, networking resources, and international job opportunities, Cake meets all needs in career development. With over 7 million users worldwide and collaborations with over 10,000 companies, Cake helps talent find the most suitable place at different stages of their careers.

■ Why Cake

1. Knowledge Growth : We hold workshops periodically to foster a culture of mutual learning and collaboration!
2. Relaxing Your Mind: We organize various activities to help everyone work happily with a positive attitude!
3. Comfortable Office Environment: Our office features a beautifully designed open workspace and spacious, comfortable desks. Pets are welcome to keep you company!
4. Delicious Snacks: We provide a variety of international snacks and drinks. Enjoy and recharge yourself at work!
