

Dear Students,

We are the INTENSE program office. We would like to introduce our initiative for foreign students. The International Industrial Talents Education special program, which is short for INTENSE program, is a scholarship program initiative. We want to recruit talented students globally to Taiwan.

If you major in STEM, Semiconductor or Finance, INTENSE program can be the right scholarship plan to you. We are going to hold 2 workshops to explain this initiative to you.

There are 2 workshops going to be held. The information is as follows:

Workshop (Taipei)

Date/Time: 2025. May. 15<sup>th</sup> 14:00-16:30

Location: Hall Locke, [GIS NTU Convention Center](#)

Workshop (Kaohsiung)

Date/Time: 2025. May. 22<sup>nd</sup> 14:00-16:30

Location: International Auditorium, 10F, [Administration Building](#), I-Shou University

If you are interested in knowing or enrolling in the INTENSE program, please fill the table out to register in the workshop.

Registration: before 17:00 on May 13<sup>th</sup>, 2025 (Tue).

Workshop (Taipei): <https://forms.gle/2yGAjN6VtxZaF2aE7>

Registration: before 17:00 on May 20<sup>th</sup>, 2025 (Tue).

Workshop (Kaohsiung): <https://forms.gle/8uDMm61BRGmU8FFM9>

Snack boxes will be provided. For sustainability, please come to the meeting hall by mass transportation and bring reusable water bottle.

If you have any question, please contact us. We look forward to your coming.
