SEA Intern Program

Welcome Southeast Asian Students join us!

A Gateway to Display Your Future!

Are you an international student from  **Vietnam** or  **Thailand** studying in Taiwan? Keen on diving into the **medical or medical beauty product** sector in BenQ Materials? Then, this is your golden ticket!

✨ Why Choose BenQ Materials? ✨

At BenQ Materials, our core is driven by diversity and innovation. Dive into an exclusive internship crafted just for you! Interested? Scan the QR code for more information about the internship openings.

📅 Duration and Requirements 📅

- **Starting this Nov. 2023, the program will extend between 4 to 6 months**, adjusted according to the needs of the projects you'll be involved in.
- Office Commitment: A requirement of **1-2 days per week in the office** ensures you gain the in-person experience integral to your professional growth.
- Language: Applicants should have **proficient English communication skills**. Being able to communicate in **Chinese is a significant advantage**.

💰 Compensation and Benefits 💰

- 👛 Earn an hourly salary that reflects the value you bring to our team.
- 🛡️ Insurance: Your well-being is our concern.
- 📚 Training Resources: educational materials and resources.
